It starts with one can.

To feed the hungry. To lift the spirit. To change the world. Canstruction®, a charity committed to ending hunger, is using 'one can' as a catalyst for change. Over 1.5 million New Yorkers access hunger relief programs each year. Canstruction's 16th Annual NYC Design/Build Competition puts a visual spotlight on hunger while showcasing the New York design community's best and brightest.

Think you have what it takes to design and build a structure made of nothing more than canned food, ingenuity, and luck? Enter today. Get creative, help stop hunger. **one can.**

Complete rules and regulations will be emailed upon receipt of entry form. Teams are responsible for acquiring canned food.
